Picked a cracking day to be out of the office

Brilliant time was had at the South East Construction Expo

Catching up with some familiar faces, meeting new ones, and sat still long enough to listen to some really insightful speakers.

Always a good reminder how many people genuinely care about this industry and what they're doing in it.

Days like this matter.

Thanks to all involved in today.

Fantastic day at the South East Construction Expo & Awards.

Led a great construction skills panel with Tracy, Tom and AJ's Training.

Really enjoyed engaging with stakeholders and industry on NOCN Group construction and plant offer over a game of darts.

Looking forward to hosting a table of stakeholders for the Construction Awards Gala Dinner tonight

Thank you to everyone who popped by our stand!
